“ Missy and David, I'm so sorry that your mom has passed. Wayne and I have such precious memories with all of your family. Your mom was full of grace and kindness. Your dad was a man of jovial sage advice. You two were the best thing to happen to them. I will never forget them. Amy Eilar (Fisher) Jellison.

“ I just watched the service of Lois Walton and was so impressed with the comments made about Lois and her life. I will miss Lois so much. She was part of my life. She was an integral part of the success of our insurance agency for over 40+ years. As was said, her interest in having to adjust to the computer age was just too much. After her retirement we realized that her pleasant personality and demeanor was missed by the rest of the employees and customers. She will always be part of my life forever.

“ I'll miss the twinkle of Lois's crystal blue eyes when we talked and laughed together. Her book reports were so much fun. Our faith gave us many miracles to share. I'll miss my favorite friend.
Missy and David, she loved you both so much.

“ Cotton & I want to offer our deepest love & compassion to all of the family! We wish we could be with you! Lois, and Marvin, too, were a big part of our family and they always treated us like family, too. We have many wonderful memories of our times with them. They shared our love for music & our love to worship God through singing. We also loved getting together for fellowship, and, of course singing around the piano was always part of that as well as eating together. Lois was an excellent cook! Our prayers are with you all as we celebrate her home going. We send our love to you all!

“ Oh Aunt Lois where to ever begin. Even though you were not my aunt by blood you were still my aunt. She and my Mama met when she first moved to Richmond many moons ago. She and Uncle Marvin welcomed her as if she was family. Hospitality was always at her home for sure. I always knew I was loved by her and enjoyed our visits. I am thankful for I know where she is now. I can only imagine her, Uncle Marvin and my parents and the eternal happiness and joy you all are celebrating now. I am thankful for the fine example of Christlikeness she displayed in my life. I am thankful for all the prayers she prayed over my life. One day the reunion will be ever so sweet. Until then... My prayers are with you Missy, David and family's. Love, Julie Brumley Frame

“ We have been family friends of Lois for many, many years. Bob and I even went by their home on our Honeymoon. We spent many hours of fellowship with them and their children. We were privileged to be a part of their 50th Wedding Anniversary reception. We were there when amidst got married. Bob also did several paintings for them. Lois and Marvin were generous and supportive if Bob’s ministry. I have letters Lois wrote encouraging Bob. They are precious words. Over the last year with the pandemic, we were only able to talk on the phone with Lois. We, too, were in assisted living. We shared concerns, family happenings, and HOPE hat there would be an end to the virus so we could get back to family visits. We sent Lois a birthday card in September and talked to her on the phone. Lois was a faithful Christian and always shared her love for Christ and His children. So glad to have been a part of this sweet lady’s life.

“ Missy, you & I go a long way back. Your parents & Alice & I go back a long way also. I want to offer our deepest sympathy. they were some of the neatest people in the world. I know this has been a rough road but she is now at peace. Just look back at all the wonderful times & know that was the important part of life.You can also lookback at the times I harassed you & Becky & hopefully smile. You are one neat lady, don't ever forget that. They were very proud of you. I will not be at the church because I am in the high risk category due to my lowered immune system. Take care & know we will be praying for you. In Christs love. Gordon
