“ The Marcum kids have all gone home to be with the Lord. Their circle is complete once more. My Aunt Faye was so special to me. I feel a little lost now because she reminded me of my own Mom so much.. but she did run interference for me numerous times since my mom was very strict and all. I just loved my Aunt Faye so much.

It's hard to say that last goodbye
But I know we will be together again.

“ My dearest Aunt Faye, Always more like my second Mom, I have missed you and our time together so very much. Remember all those times I would spend the night with you and we would stay up most of the night just talking? I Do. Remember teaching me how to make sure the carpet was vacuumed right? I Do. Remember teaching me to cook before my mom would even let me in the kitchen? I Do. I remember all our time together and our rough and happy times. Now you have gone to see grandma, mom, dad, aunt Treiva and uncle Earl.and left me behind, but I will see you again one day and then we can celebrate time together again. I have and always will Love you and miss you My Aunt Faye
