“ To the family of Bill Williams. I worked for Bill at the Kemper plant for several years. He was definitely one of the better foreman's they had there. Very respectable man. Everyone I know that worked for him liked him a lot. He was fair and would help you out in a time win you needed him to help you out. Thanks for being a fair man. That was starting to go away for the Kemper plant in later years. Thanks Bill and may you RIP.
