“ George, Jonah and Family, As a Meadows resident in Florida, I was lucky enough to get to know Glo while we both walked our dogs. Glo was easy to get to know, always quick with a smile and a brief story of her dearest family, of which she was so proud and grateful. I wish you all comfort at this difficult time and hope all the warm memories will help soften the pain.
Best wishes,
Diana Donovan

“ Dear George, Sue, John, Jim and Family, our deepest condolences and sympathy in the loss of Glo. She was like a second mom to me growing up. As a kid, she welcomed me into you home and your Torch cabin just like it was my own. Glo always treated me with love, warmth, kindness and was always interested in me and my life. That's the type of women she was. I'm so glad we were able to be together during those recent 4th and 5th of July birthday celebrations in Richmond. May you all be comforted by the many special memories and fun times you all shared and celebrate her long, beautiful life.

All our love, Lisa, John and Matt

“ George and family: I am sorry to hear of your loss. I think back over a lot of years of her pleasant and gracious mannerisms. A pleasant dinner with the Overturf's in Cleveland, on the Elks golf course or at an Alcoa dance/function, Gloria was a pleasure to be around. You all are in my thoughts and prayers.
