“ I would see Janet multiple times a day taking patients out of the hospital. I always enjoyed talking to her and hearing about her grandkids. Her face always lit up telling me stories about them. It's just not the same without her at the front entrance. Such a dedicated employee. She'll be missed.

“ Janet was not only my co worker, her husband and her kept an eye out on me for the last year. You could not ask for a better friend always bringing me something to eat or baking for someone else. I will all ways remember her being so helpful to everyone. She will be missed. REST IN PEACE. Fred Cole

“ Janet was a wonderful co-worker -- always had a smile on her face, helpful in every way, and loved to share stories & photos of her grandchildren. Often, Janet would bring me baked goods or leave little candies on my desk. When my daughter was expecting a baby, Janet gave me the most beautiful baby book to give to my daughter...even though she had never met my daughter! Such a generous and kind heart! She was a very special lady and will be missed greatly.

“ Janet was a friend of mine at Reid. We shared many photos of our grandchildren since 2010. She was always so warm and had a smile on her face when we would see each other in the hallways. She treasured the times she had with her family whom she loved dearly. Her eyes would light up when she would talk about family events, vacations, and her grandchildren. I loved visiting with her she was a light in times of stress and being overwhelmed with work. She will be missed greatly.

“ Janet's such a kind, sweet, soft spoken lady. I've worked with her for almost 19 years and she's always been sweet. She loves her family and talks about their fun times together.  
She loved baking and has given me lots of recipes throughout the years, I'll cherish those.  
My heart hurts.  
We will miss her so much.
