“ Dale & family,
Julie's obituary took us by surprise. When you were a captive agency in Connersville for Nationwide Insurance just down the street from our agency we shared good times.

Julie was the go to person when we needed proof of insurance or was checking up on a claim status.

Dale Jr. was starting elementary school and as an only child stuck close to Julie.

Back then the Fax machine was the top of technology but was soon to be replaced by computer upload and down loads through the internet server.
It was also a time before cell phones were introduced as a number 1 choice of communication.

When you decided to sell your Connersville Agency to make the move to Centerville we missed our weekly interactions.

Years have come and gone but we still hold good memories of you, Julie and Dale Jr. May you feel the warmth of God's Spirit and the comfort of family and friends during this time of bereavement.

You are in our prayers,
Eric & Melody Hopkins

“ Dear Dale Sr., Dale Jr. and family, I am so sorry to hear of Julie's passing. I think of all of the times we talked when Dale Jr. rode my bus. Laughter was the key and Dale survived! And, so did we! I think of all of you every time I pass your business in Centerville or your home on Hwy. 40. I can only imagine how much she will be missed. May God bless and comfort you.
