“ Faye and I were best friends in school along with our entire class. We shared everything and stood up for each other at our weddings, well Faye's first wedding anyhow. We spent a lot of time at each other's homes with our families. After we married we drifted apart and I regret that so much, because she was like my sister. I still love and think of her the same way. I'll miss you so much. To her sisters, I remember them all and know they will miss her too. Love to you all and her children. If one of you could I would love to hear from you. You all know me, Rita (Smith) Gabbard, 324 South 12th Street, Richmond, Indiana 47374. Thank you, and deepest sympathy

“ I met Faye years ago when my friend Jo Ann's son Steve was in a serious car accident.
Faye and all of Jo's sisters were so wonderful and I always wished I had sisters. Faye was a classy fun lady and I feel very blessed to have known her. I saw her again when Jo and I went to Indy to see Faye in hospital and was so good to visit with her. May the Good Lord comfort the whole family and give them peace. Barb Dyer
