“ I met Shaunn in 1988 while on a family vacation to Florida. We dated briefly, she was my FIRST Love! You never forget your first love, I never have and never will! Haven't seen her in 27 years, and we just recently reconnected on FB. I was devastated to hear of her passing. She was a beautiful girl inside and out! R.I.P Shaunn, God bless you! To her mom and children , my thoughts and prayers are with you, I am sorry for your loss. Sincerely Jeff Snyder

“ Shaunny was one of my own. A true friend to Jennifer from childhood on. Her passing is felt so deeply in my heart. Her mom Linda was a devoted and loving mother as was Shaunn. I will miss you Shaunn, your loving heart, your love of God and life will continue through your children. This world has lost another beautiful person. My prayers are with Linda and her grandchildren. You all are forever in my heart, thoughts, and prayers. It is so hard to wrap my mind around Shaunn's passing. I will miss seeing you on Facebook. Love you Shaunn.

I hold you in my prayers and will continue to do so. I pray for your comfort and for the grace of God to remain with you. I pray that you have love and support and patience for your grief and healing.  
Shaunn was real, raw, true, and beautiful. She was forgiving, loving, thoughtful, and kind. She was a friend to many, and she will be missed.  
Love and light to all who mourn her.

“ Shaunn was one of my dearest friends. She was such a light to my life as she was to everyone she came in contact with. She was one of the most selfless people I have ever met. She was beautiful inside and out. Had the biggest heart I have ever seen. She loved her children and friends more than anything in this world. I will miss her so much. A part of my heart has gone with her to heaven.

“ Shaunn and I worked together the last several months. I am so sorry to learn of her unexpected passing. I will miss her caring heart and deep desire to help others. I'd begun to feel as if I personally knew Shaunn's children as she shared about events in the family. Shaunn, I'll miss you. While I am sad, I rejoice in knowing that you are in a place of everlasting peace and rest in the arms of the Father. Blessings, Nancy Moore

“ Linda, Jacob, Jonah, and Jaylin,

My heart is aching for all of you. I love you so much. Your mama loved all of you immensely. She told me all the time. She would have done anything for you all. I am forever thankful that I found her 18 years ago and that we were sisters. We tried hard to make up for lost years. We loved each other and things weren't perfect as we lived 1200 miles apart, but we made the most of what we could. Never forget how much she loved all of you and I guarantee you if she was here she would tell you to find your happiness in everything you can. She was an angel.

“ Shaunn was an amazing person and I'm so lucky to have had her as a friend. Truth be told she didn't like me much when we first met. Once we got to know each other, we realized that genuine people are hard to find. Shaunn always called me that... genuine. I always felt like she was too generous when she shared that opinion of me. Shaunn was genuine though. She loved and gave so much. She was fiercely loyal and protective. I'm sad that we didn't get a chance to have our Margaritas. I'll be sure

to drink one in your memory.

To her children, she loved you totally and completely. I know because she told me so. Never forget that even in your darkest hours, she is with you.
