“ Michelle your mother made my day every time she came to see me at the bank. I loved her personality so much. She always had something funny to say. My heart breaks that she is gone. But I know she watching over her family and giving a play by play.

“ Shelly, Steve and family, we are so saddened by Shirley's passing. We have many fond memories of camping at the lake on their farm. She always had a smile and a story to tell. Loved seeing her and Shelly at Sunshine so she could share a story. RIP Shirley. Peace and comfort to the family.

“ Steve and Shelly...so sorry to hear of Shirley's passing. I know she hadn't been well. She was always funny and that never changed from Gates Rd to the present. Even as a teen I loved being around her. She was a master at making people laugh. She always had stories to tell. Glad I knew her. What a character she was. She will be missed!

“ Shirley always had an open home and open heart with a great sense of humor when we were growing up. I believe one of her best qualities was keeping her husband Dick calm when we would get in trouble! The world has lost a great personality and great person. She will be missed by both family and friends and her memories will live on. She will have a special place in heaven. God bless with love. Tom Shain family.
