“ Julie, my heart aches because I am so sorry for the loss of your Brother. After reading all the memories shared by so many, I feel like I knew him although we never met. My condolences to your parents and your siblings and Tims wife and kids. Julie, after Angel and Deb introduced you and Barb to me I always thought you were the kindest and most gentle person. Your parents must have raised all of their children that way. Love, hugs and prayers.

“ So sad to hear of Tim's passing. He was a genuinely good person. Kind and gentle. Although I have not seen him since high school, I think of him often and the good times we had playing sports and working on old cars. Godspeed Tim.

“ Dear Uncle Dick, Aunt Dori, cousins Carla and Julie, and Tim's wife, Julie and all extended family,

My condolences on the loss of your son, brother, husband, and father. He was taken way too soon in life. Tim took after Uncle Dick in his ability to tinker and fix things. Although we have not seen one another physically in many, many years, the memories of our families' times together play back as if in real time. Tim was always on the move and I recall many robust games of tag and hide and seek in Walkerton,

Michiana, and especially at Grandma/Aunt Gene's house. Holidays were great fun as we tore around the yard or played in the basement. I appreciate the chance I had to get to know, love, and spend time with my cousins as children and young adults.

I am with you in thought and prayer as you make your way through these trying times. I believe he's holding all the Aces now!

“ Dear Uncle Dick, Aunt Dorie, Carla, Julie and extended families,

I was so saddened to hear of Tim's passing. I have so many fond memories of time spent with my cousin's in Walkerton. Loved playing pool and other games at your house (for some reason "Operation" and Mr Potato Head stand out in my mind). And Tim was always part of the fun. Taken too young. My heart is with you, even if I am not there physically . Here is to many warm memories as comfort. Love, Christy (and Richard and Murphy)

“ Blessings and comfort to Tim's family. Some years back, Tim sold a reliable, affordable car to our son, Eric, allowing him to attend and graduate from IU, Bloomington. Tim's care, kindness (& pricing) were from his heart of gifting. We formed an instant bond to Tim, heart and soul, which will never leave us. Tim had a golden character, and was one, cool guy.

“ So sorry to hear of Tim’s passing. Always looked forward to visiting our cousins in Walkerton, when we were kids. Tim would give us a few “lessons” around the pool table, then Uncle Dick would demonstrate a few shots to really show how it’s done. Enjoyed our conversation at the last reunion. Condolences to all Tim’s family from the Kearney’s in Texas.

“ Tim and I used to spend many, many hours playing wiffle ball back on my parents farm. We could mimic the hitting and pitching styles of every Cub and White Sox player. Couldn’t over-run first base, because it was the step of the old garage, and you would run into the door. Catching a ball as it bounced off the tree counted as an out, and if you could hit it past the gravel lane, it was a home run. There are so many found memories of my time with Tim. Great humor, quick laugh and smile. I will greatly miss him, and look forward to having him be part of my welcoming crew at the pearl gates when my time comes. My condolences to his wife Julie, sisters Julie and Carla, Uncle Dick and Aunt Dor.

“ I am heartbroken tearful that Tim Cline is gone from all the loved and care for him. I am overcome with peace and happiness that he is with Grandpa and Grandma Kearney and all the Aunts and Uncles, I bet they were there to welcome him home.

“ My thoughts are with you during these difficult times. I worked with Tim. I loved his attitude and how he could answer any question you had about any lawnmower that had ever been made. He was a hell of a guy. He is and will always be greatly missed.

“ I am truly sorry for your loss. Tim was a great coworker and we all will miss him badly. Loved kidding around with him about his lottery tickets.
